

TWISTEREOS LICENCE AGREEMENT

Please read the following carefully before downloading and using TwisterEos software.
By using all or part of the software you agree to all the terms and conditions of this license agreement. If you do not agree with the terms of this agreement, please do not download this software.

DEFINITION OF THE SOFTWARE

The software TwisterEos is distributed as freeware, which means that it can be used free of charge. The software is the production and property of Nicolas Bazoge.

COPYRIGHT

TwisterEos is protected by French copyright law and international conventions.
The copyright owner reserves all exclusive rights to the software, except as granted in this agreement.

DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS

1. You are authorized to use the software for private or professional purposes. You may use the software on multiple computers within your company or organization.
2. You have no ownership rights to the software. You acknowledge and agree that the licensor reserves the copyright and all other proprietary rights to the software.
3. You may not reverse engineer, disassemble or transform the software.
4. You may not rent or sell the software, nor integrate it into a suite of other software or an installation package.
5. You cannot transfer a copy of the software to a third party. Any acquisition of the software must be made via the dedicated web page <https://www.nolaskey.com/twistereos>.

LIMITATION OF WARRANTY

The author expressly disclaims all warranties for the TwisterEos software. The software is provided "as is" and without warranty as to workmanship, performance, accuracy of information (including the online documentation), or any other warranties, whether expressed or implied.

Due to the diverse hardware and software environments in which this program may be used, no warranty of integration or compliance is offered.

The owner of this software is not responsible for computer viruses, disruptive programs or any other computer anomalies that may arise during or as a result of downloading the software, or during its use.
